

YOU CAN MAKE A DIFFERENCE!

Each exhibit stop below reveals how we can help or hurt our soils.
How do YOU affect soils?

Visit *“The Big Picture”* to get soil savvy.

Read up on why soils are so important to us and how we affect soils. List some here:

Visit the *“Underneath It All”* model.

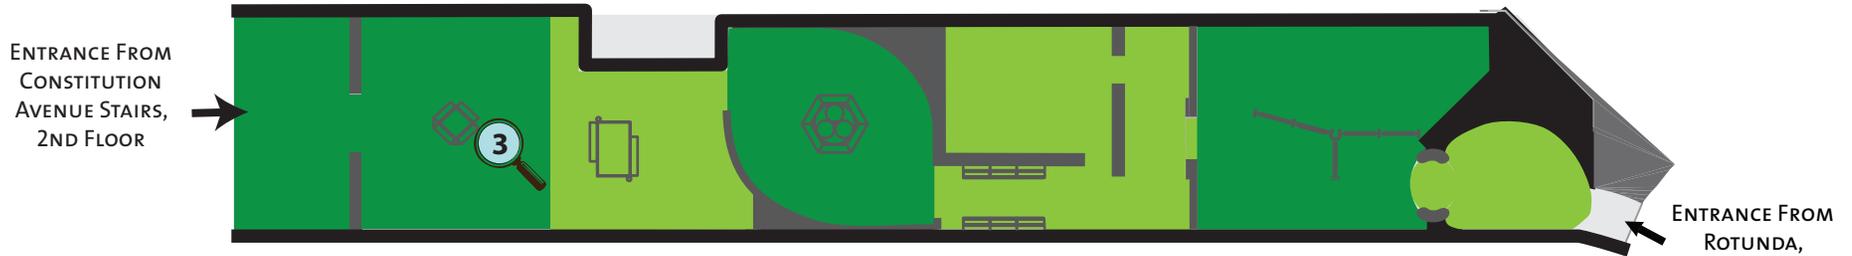

This is a snapshot of a growing suburb in a rural landscape.

How is development changing the way we use soils?

If you were a city planner, what would you do to protect soils?

YOU CAN MAKE A DIFFERENCE!

Visit the “At Home in the World of Soils” model.

Take a look at how soils are used every day in this house.

How is this family helping or hurting soils?

If this were your home, what would you change to help soils?

List 5 ways you can make a positive impact on soils at home.

Congratulations! You’ve just taken the first step to being soil savvy!
